is suitably designed to provide reasonable assurance that the requirements of the standard noted below (the Requirements) have been met, as of May 14, 2019.

Sustainable Forestry Initiative® (SFI®) 2015-2019 Fiber Sourcing Standard, Appendix 1: Certified Sourcing Label Use Rules

Management is responsible for ensuring the Fiber Sourcing Label Use process meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The SFI standard can be found at www.sfiprogram.org.

Our assessment was conducted in accordance with the ISO 17021 and ISO 17065 conformity standards, and accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the Fiber Sourcing Label Use process was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of May 14, 2019.
